## Mayor's Letter

Hope everyone has enjoyed their summer. Fall is just around the corner and our next community event is the Pumpkin Festival. We look forward to seeing you there. Hope everyone is pleased with the well renovations. It is finally complete. The well is the beginning of a number of beautification projects we have laid out for the next several months. We will be putting some sidewalks from the well to CCC Camp Road with some street lighting and landscaping. We also have planters that we will begin to place throughout the entire city beginning mid-October. In addition to the planters, we have some rock signs that will be used to announce upcoming events. This looks much better than banners placed everywhere. We are still working with some additional businesses that have expressed their interest in locating in Eton. We will keep you posted on the progress as it develops.

I would also like to thank the folks from Ridgecrest Subdivision that came to our last council meeting to discuss op-

tions regarding organizing a Home Owners Association to help police home owners who are not following the covenants of the subdivision. It was good to see people interested in helping protect the community. It was a very productive meeting and it stemmed some great ideas to help address issues. A special thanks again to the group at Ridgecrest Subdivision.

We will be putting our pumpkins back out at the end of the month. We get a lot of good comments from neighboring communities as well as out-of-town folks. Each pumpkin has its very own personality. These were built by students from the Shop Department at Murray County High School and painted by students at North Murray High School Art Department. Thank you for adding smiles to our community.

Once again, I look forward to seeing each and every one of you at the Pumpkin Festival. As always thank you for making our community a wonderful place to live. If you need anything please contact us at City Hall.

## Eton News

Ridgecrest residents attended the September 2nd Council Meeting and expressed the following concerns: Speed bumps, school crosswalks, children playing in roadways, nuisance lots, street lights, drainage ditches, and extra Halloween patrol. The Mayor and Council addressed each issue.

The Mayor and Council conducted the first reading of an amendment to Eton's Distilled Spirits/Beer/Wine Ordinances prohibiting the practice of "BYOB" in Eton establishments.
